X-tractor

The perfect partner when internal venting/filtration is required.

The cost effective extraction solution for the DigiCoater when the location of the coater and/or the building construction do not allow exterior venting.

The X-Tractor fits neatly by the DigiCoater unit and simply uses a standard 13amp supply.

The unit is extremely quiet in operation and requires minimum maintenance with sensors telling you when cleaning or replacement is due.

Key Product Features

- Blower with high airflow
- Low cost replacement filters
- Optional VOC gas sensors
- Optional interface with stop/start, filter blocked and extractor failure signals

technical specifications

Speed	14,125 ft ³ /hr capacity
Dimensions	L 15" x W 15" x H 23.2"
